HOW TO USE NEW TTA QUICK REFERENCE GATE TIME

Cities are listed in alphabetical order. Find the city from which you are departing; read down until you find your destination city. TTA provides single plane direct service on most flights. A notation will indicate when service is available through a connection. If the connection is an interline connection, the city and the connecting airline will be named. Interline connections that appear in TTA Gate Time are examples in heavily traveled markets and do not represent all the possible connections that can be made from TTA cities. Every effort has been made to provide up-to-date schedule information for connecting airlines. Should a connecting airline schedule change after the publication of TTA Gate Time, you will be advised at the time you make your reservation.

★TTa TRAVELING TIPS

CONNECTIONS—Normally, you need 30 minutes at major TTA Terminals to make flight connections. Connections to another TTA plane take less time. Your TTA Reservationist will advise you the connecting time and where to change planes.

BAGGAGE LIABILITY / LIMITATIONS—TTA takes pride in the careful handling of your personal property and baggage while it is in our custody. In the event of loss or damage, the liability is limited to the amount equal to the value of such property, not to exceed $100.00 per passenger. If you wish to declare a higher value, an extra premium of $0.10 per $100.00 of declared valuation is required. The TTA agent will be happy to assist you with this detail at the time you check in for your TTA flight.

CHECK-IN TIME—Ticketed passengers should be at the TTA airport ticket counter AT LEAST 20 MINUTES BEFORE GATE TIME. Reservations may be cancelled if the passenger has not checked in 10 minutes before gate time.

RECONFIRM YOUR RESERVATION — Reconfirmation may be necessary when you travel to another city and remain overnight or longer. In order to reconfirm your reservation, contact the airline at least 6 hours before flight departure time, advising the reservationist that you intend to use your continuing space. Please help us make your trip more enjoyable and trouble-free by reconfirming your reservation. Thank you.
