Why we try harder.

15 years ago we made an historic promise:
We try harder.
We're keeping that promise. That's why we're South Africa's leading car rental system.
When you rent a car from Avis you can rest assured we're trying harder to make your experience with us as pleasant and trouble-free as is humanly possible.
Which shows that even after 15 years we still mean what we say.

AVIS

We rent the *new* Golf II and other fine cars.
