The De HAVILAND BEAVER— CAA FEEDER SERVICE AIRCRAFT

Five passengers can be carried and wide cabin doors allow for easy loading of cargo. Powered by a Pratt Whitney Wasp engine with a cruising speed of approximately 130 m.p.h. the De Haviland Beaver aircraft is of entirely metal construction with a wingspan af 48 feet.

Students pay only single fare for the return journey when travelling between home and school.

PASSENGER INFORMATION

General

BOOKINGS

It is advisable to make bookings well in advance through C.A.A. Appointed Sales Agents or C.A.A. Booking Offices. Cable and telegraphic charges in respect of bookings are normally your responsibility.

RETURN AND ONWARD BOOKINGS

Return journey reservations should be checked as soon as possible after your outward journey. Similarly, if you are stopping off at any point, you are requested to check your onward booking as soon as possible.

STOPOVERS

You may normally break your journey without extra charge, provided it is completed within the period of validity of your ticket and that you notify us when the booking is made. Hotel expenses are, of course, your own responsibility at voluntary stopover points.

CANCELLED BOOKINGS

If you have to cancel your reservation, please let us know as soon as possible and return your ticket. We cannot guarantee any refund when reservations are cancelled at short notice or if you fail to tell us that you cannot take up your reservation.

YOUR TICKET

Your ticket is valid only for the date and flight shown thereon and unless otherwise stated, the return validity over the Corporation's regional and domestic routes is six months (excepting where provided by I.A.T.A. Regulations twelve months) from the date of the outward journey.

A return ticket costs 10% less than two single fares. In addition you may purchase special return tickets with a 10% rebate for journeys covering circle trips, and return from a different point from that to which you travelled on the outward journey.

LOW-COST TRAVEL BY C.A.A.

Family Excursion Fares are available within Rhodesia and Nyasaland and to and from East Africa. These fares save families at least 22½ on return or single tickets. Valid 6 months.

30-Day Excursion Return Fares are on sale throughout Central Africa and to and from East Africa. The rebate is 25%. Tickets are valid for up to 30 days and return flights must be made after 14 days from the date of the outward journey. This limitation is not, however, enforced over certain routes. Your Travel Agent or C.A.A. office will gladly advise you.

120-Day Excursion Return Fares are available for travel from all points in Central Africa to and from Durban and Johannesburg. Tickets save you 25% and are valid up to 120 days provided the return journey is made after 14 days from the date of outward travel.

Sportsmen's Fares. These are available to teams of 6 or more travelling to an organised event. The rebate is 33⅓% on the return trip.

Student's Fares. Students over the age of 12 and under 26 pay single fare for the return journey when travelling between home and school.

YOUR FARE INCLUDES—

Carriage by air from airport of embarkation to airport of destination, and free baggage allowance, all meals and light refreshments in flight and transport between airport and town terminal (where provided).

Accommodation en route on C.A.A. services is only provided at the expense of C.A.A. If you have purchased a ticket over a route for which the standard one way fare is £25 or more, and at transhipment points from time of arrival until departure of the first scheduled service, up to a maximum period of 48 hours.

In order to avoid inconvenience on arrival at your destination, you are advised to book your rooms in advance as hotel accommodation at most destinations is very limited. C.A.A. will, on request, make every endeavour to assist in obtaining accommodation, but all telegraphic expenses, etc., are payable by the passenger.

CAR HIRE

C.A.A. will help you hire a car at your destination. Please enquire when you make your booking.

AIR/SEA TRAVEL

By agreement with certain other airlines and steamship Companies which serve Africa, the return half of your air ticket may be interchanged for a sea passage, or vice versa. Please note that an important feature of this facility is that whether you are travelling entirely by air or part-air/part-sea, you may send your baggage by sea via any of the participating carriers, at the same baggage rates applicable to the sea carrier's own passengers between the same ports. Normal free baggage allowances granted by air and sea carriers apply.

AIRPORT FORMALITIES

It is important that you report at the Airport Weigh Bay in sufficient time to allow ticket and baggage check-in formalities to be completed at least 30 minutes before the advertised departure time.

Flights cannot be delayed if you arrive too late for these formalities to be completed by this deadline.

Road transport arrangements to the Airport are notified when tickets are purchased.

CHILDREN AND INFANTS

An infant under two years of age accompanied by an adult and not occupying a separate seat, is charged 10% of the published fare.

Additional infant: under two accompanying the same adult, an infant under two occupying a separate seat, and children between the ages of two and twelve, are charged half-fare. Age is taken as at the date of departure.

FREE BAGGAGE ALLOWANCE

You are entitled to a free baggage allowance of 30 kilos (66 lbs.) where the published standard single fare is £25 or over. Where the published standard fare is under £25, it is 20 kilos (44 lbs.).

Children travelling at half-fare receive the full adult allowance, but infants travelling at 10% of the fare have no allowance. A carrycot or portable cradle is, however, included free in the child's own personal weight.

In addition to the free baggage allowance, you may carry personal articles, such as a lady's handbag, overcoat or wrap, binoculars, pocket camera, umbrella or walking stick without charge.

EXCESS BAGGAGE

Baggage in excess of your free allowance will be subject to charges of 1% of the normal single fare per kilo.

If you are travelling with your family or friends, you may group your baggage and thereby benefit from the collective free allowance.

UNACCOMPANIED BAGGAGE

Heavy baggage may be shipped at half the normal cargo rate provided that it weighs not less than 10 kilos (22 lbs.).

VALUABLE BAGGAGE

If you wish, you may declare the value of your baggage when it is being checked in at the airport and if the value is over £36, you may cover this against loss, etc., by paying a "Valuation Charge" at the rate of 9d. per £25 value up to a maximum of £1,500.

In the absence of any declaration, the value of your baggage will be assessed to be not more than £36.

PERSONAL BELONGINGS

We request you to take special care, especially at stopping places, of personal articles and of unchecked baggage, as C.A.A. cannot accept responsibility for them.

PASSPORTS, PERMITS AND VISAS

Please ensure that your passport is in order and that you have the necessary visas, permits and endorsements for your journey. C.A.A. staff will gladly give you any advice. Your passport is a valuable and essential document—remember to carry it with you and not to pack it!

CAMERAS

Cameras should be declared to Customs and are not normally accessible on international flights.

HEALTH REGULATIONS

For travel in Africa, it is advisable for you to have:

(a) A valid Yellow Fever Certificate. Validity is from 12 days to 6 years from date of primary inoculation. Re-inoculations are valid at once for 6 years.

(b) A valid Smallpox Certificate. Validity for primary vaccination from 8 days to 3 years from date of certification of reaction. For re-vaccination it is immediately effective for 3 years.

Health certificates must be of the approved international form and should be carried in your passport.

Please check what is necessary for your journey.

CONDITIONS OF CARRIAGE

The General Conditions of Carriage are available for inspection at any C.A.A. Office or Airport.

The Corporation's timetables show the local airport times of aircraft arrivals and departures, but are subject to alteration without prior notice. Every effort is made to ensure punctuality of these schedules, but C.A.A. cannot accept responsibility of any delays to, or suspension of schedules, and does not guarantee connections with other services.

GOVERNMENT REGULATIONS

Please remember that it is your responsibility to comply with Customs, Passport, Currency and Health Regulations of the countries which you intend to visit or transit. C.A.A. will, however, be pleased to advise you on any problem.

CHARTERS

C.A.A. have aircraft available for charter at reasonable rates for both small and large parties. Enquiries should be addressed to: Traffic Watch Superintendent, Salisbury Airport, Telephone 20352.

AIR FREIGHT

C.A.A. accepts carriage of air freight on all services shown in this timetable. A discount of 25% is offered for quantity and special rates for regular movement of commodities can be quoted.

ZAMBEZI

We have special information and advice to offer passengers travelling on this LOW COST service to London. Consult your Travel Agent or C.A.A. Representative.

FEEDER SERVICES

Baggage allowances are the same as those for C.A.A. mainline routes with the exception that Baggage in excess of the free allowance is accepted subject to space being available. Baggage on "Beaver" services should be restricted to suitcases not larger than 30 inches by 18 inches by 9 inches.

OTHER INFORMATION

Other information regarding travel by Beaver Services is the same as that quoted under "General."
