PASSENGER INFORMATION

CONDITIONS OF CARRIAGE. The carriage of passengers, baggage and cargo is subject to Hunting-Clan African Airways (Pvt.) Ltd.'s Conditions of Carriage which may be seen on request at any Hunting-Clan African Airways office. The notes below are for guidance only.

RESERVATIONS AND CANCELLATIONS. Seats should be reserved as far in advance as possible through any Hunting-Clan African Airways Booking Office or Agent. As there is a great demand for seats please let us know as early as possible if you cannot take up your reservations. Cancellation charges apply when passengers fail to take up seats they have reserved.

CHILDREN AND INFANTS. An infant under two years of age accompanied by an adult and not occupying a separate seat, is charged 10 per cent. of the published fare. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat and children between the ages of two and twelve are charged half-fare. Age is taken as at the date of departure of the initial outward flight. Apply for details of special Students' Fares available for travel between home and school.

BAGGAGE. The free allowance which applies on third class services to each adult (or child travelling at half-fare) is 15 kgs. There is no free allowance for an infant carried at 10 per cent. of the adult fare, but infant's food for consumption en route and an infant's carrying basket is carried free of charge. The free allowance on the "Safari" and "Paradise Island" services is 20 kgs.

PERSONAL ITEMS. In addition to the free allowance the following may be carried free of charge: a lady's handbag, an overcoat or wrap, a footrug, an umbrella or walking stick, a pair of binoculars and a reasonable amount of reading matter for the flight. Briefcases, typewriters and large cameras have to be included in the baggage weights.

EXCESS WEIGHT. Baggage in excess of the free allowance may be carried subject to space being available at the rates shown in this timetable.

UNACCOMPANIED BAGGAGE. Heavy baggage may be shipped at half the normal cargo rates provided that it weighs not less than 10 kgs.

INSURANCE. Facilities are available at all Hunting-Clan African Airways' offices for passengers to obtain personal accident, baggage or cargo insurance.

PERSONAL BELONGINGS. You are requested to take special care, especially at stopping places, of personal articles and of unchecked baggage, as H.C.A.A. cannot accept responsibility for them.

PROHIBITED ARTICLES. Government regulations do not permit the carriage of inflammable or explosive material on an aircraft, and you are asked not to carry in your baggage articles which are easily ignited, such as cigarette lighter fluid, matches, etc. On most Hunting-Clan African Airways aircraft smoking is permitted and you may carry a box of safety matches or a lighter with you for use on the journey.

DEPARTURES. You should assemble sufficiently early to allow embarkation formalities to be completed. On your ticket you will find the coach and aircraft departure times and an indication as to how long before these you should be at the Town Terminal or airport. Departure cannot be delayed for passengers who arrive late and Hunting-Clan African Airways cannot accept responsibility in such cases.

PUNCTUALITY. Every effort is made to ensure punctuality of our services, but Hunting-Clan African Airways cannot accept responsibility for the consequences of a delay to, or cancellation of, any flight and cannot guarantee connections.

CHARTERS. H.C.A.A. have aircraft available for charter at very reasonable rates for both small and large parties. Enquiries should be addressed to: Charter Supervisor, P/Bag 179H, Salisbury. Telephone 50511.

AIR CARGO. Hunting-Clan African Airways specialise in the carriage of air cargo. Special rates for the regular movement of commodities can be quoted. Livestock may be carried on all cargo services. Carriage of air freight within Central Africa is subject to a minimum charge of 7/-.
