GENERAL INFORMATION

RESERVATIONS : If you have to cancel or defer your reservations, please let us know at the earliest. We cannot guarantee refund of fare for reservations cancelled or transferred at short notice. At destination or transfer points you are advised to confirm onward or return reservations.

AIRPORT FORMALITIES : It is essential that you report to the departure Terminal or Airport no later than the time advised as this allows the minimum time to complete all embarkation formalities. Flights cannot be delayed for passengers arriving late.

PASSPORTS PERMITS AND VISAS : Passengers must ensure that they have complied with all national and international regulations relating to passports, immigration and Customs procedure. The Company will accept no responsibility if passengers fail to comply with regulations. Do not pack your passport.

HEALTH REGULATIONS : Valid certificates of inoculation and or vaccination, issued on a special international form, are an indispensable requirement of most countries. Certificates should be carried attached to your passport.

CONDITIONS OF CARRIAGE : Your ticket is issued subject to these Regulations and to our General Conditions of Carriage of Passengers and Baggage, of which you will find an extract in the ticket. Conditions of carriage may be inspected at any BWIA office.

RETURN TICKETS cost approximately 10% less than two single fares and are normally valid for one year. Tickets allowing approximately 10% rebate are issued on certain routes covering circle trips, and return from a different point from that which you travelled on the outward journey. Excursion fares and special fares for schoolchildren are also available in certain circumstances.

CHILDREN : An infant under two accompanied by an adult and not occupying a separate seat is carried free. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat and children between the ages of two and twelve are charged half-fare. Age is taken as at the beginning of the outward journey.

YOUR FARE INCLUDES the actual carriage by air, free baggage allowance and meals and gratuities in flight and on the ground from the departure of your aircraft until arrival at destination. Transport between town and airport is not usually included. At points of transfer to direct connecting BOAC BWIA services, hotel accommodation and meals are provided.

TAXES imposed by Government Authority are in addition to the fare and are payable by the passenger.

STOPOVERS without charge are permitted along the route covered by the ticket on condition that the entire journey is completed within the validity of the ticket and the passenger expresses at the time of booking the wish to break the journey, and purchases the entire through ticket.

CAMERAS : The carriage of cameras is usually permissible but there are restrictions in certain countries and it is essential to check the local regulations.

FREE BAGGAGE ALLOWANCE : Adult tickets and children's tickets issued at 50% of the published adult fare include a free allowance of 20 kilos (44 lbs) of hand baggage aboard planes. Adult and 50% children's tickets sold for travel (a) between international points on BWIA's routes (i.e. not between territories of the same sovereign state) (b) in connection with ticketed journeys on another airline or steamship company carry a free allowance of 30 kilos (66 lbs.) Infants travelling free receive no free baggage allowance. Baggage in excess of these allowances will be carried only when the capacity of the aircraft permits and when excess charges shall have been paid. In addition to your free baggage allowance, personal articles which you carry — such as lady's handbag, spare overcoat, binoculars, etc. — will be carried free. Please note that brief cases, attache cases and parcels are NOT included in this category and will be weighed as part of your free allowance. EXCESS BAGGAGE : The first 10 kilos of baggage weighing in excess of the above allowance will be charged at 1% of the adult one way fare. Baggage in excess of the first 10 kilos will be charged for at 1½% per kilo of the adult one way fare. All excess baggage on "Tourist" services is charged at the full rate.

VALUATION CHARGE : A Baggage Valuation Charge is not payable on baggage valued at $170 BWI US$100 or less but a Baggage Valuation Charge will be collected at the rate of 25 cents BWI for each $170 BWI or 15 cents US for each US$100 or fractions thereof in excess of $170 BWI US$100. Such charges to be payable upon declaration being made. The carrier will not accept for carriage baggage or personal property valued in excess of $7,200 BWI US$4,200. In the absence of a specific declaration of the value you will be presumed to have declared a value not exceeding $170 BWI US$100.

YOUR BAGGAGE : Before you depart all your baggage will be weighed; the bulk will be registered and will not be accessible during flight. Articles including toilet requisites, etc., for use during flight should be packed separately in a small bag or brief case not exceeding 5 kilos in weight, which will be weighed but not registered and will be left in your custody.

VALUABLES, such as jewellery, should be carried personally whenever possible. Please remember that the transfer of valuables is subject to Government Regulations.

PROHIBITED ARTICLES : Government regulations do not permit the carriage of inflammable or explosive material in aircraft; you should not therefore carry in your baggage or on your person any articles which are easily ignited.

FUNDS AND CURRENCY RESTRICTIONS : The movement of money into and out of many countries is restricted by law and passengers should consult their bankers well in advance of the date of their journey.

PUNCTUALITY : Although we do everything in our power to ensure the punctuality of our services, BWIA cannot accept responsibility for any delay or suspension of a service, nor can we guarantee that connections will be made with other air services or with suface carriers.
