TIME TABLE

The services shown in this Time-Table are operated to conform with the regulations of the international air convention.

INFORMATION FOR PASSENGERS

1. **Terms and Conditions of Carriage.** An extract from the Conditions, under which MISR AIRLINES undertakes to carry passengers, will be found inside the cover of every air ticket issued by the Company, and MISR AIRLINES advises passengers, in their own interest, to read carefully these Conditions. A copy of the General Conditions of Carriage of MISR AIRLINES may be inspected at any Office of the Company, or of its Agents.

2. **Alterations.** This Time-Table cancels all previous issues dealing with MISR AIRLINES regular Services, and is subject to alteration without notice.

3. **Responsibility.** Although every endeavour is made to ensure the punctuality of the Services nevertheless neither MISR AIRLINES nor its Agents are able to accept any responsibility for delay or for suspension of any one of same.

4. **Passports.** Passengers are reminded that passports endorsed for all countries through which they are travelling, and bearing the visas required by current regulations, must be carried on the person. The Company or its Agents will obtain, on payment, passports and/or visas, provided that reasonable notice is given. The Company cannot accept any responsibility for the correctness of passports and/or visas, or for their being incomplete or invalid. Passengers are, therefore, advised to verify the validity and the accuracy of their passports, endorsements and visas, when booking their passages. Passengers are informed that great inconvenience may be caused to them by non-observance of these Passport regulations.

TICKET REGULATIONS.

5. **Fares.** The fares given in this Time-Table are based on the transport of the Passenger with a free allowance of 15 Kilogrammes, of personal luggage. For any luggage in excess of 15 Kilogrammes, please refer to rates shown in this Time-Table.

6. **Break of journey.** Passengers are not allowed to break their journey. Only through tickets are issued. But, upon the request of the passenger, the Company or its Agents may issue separate tickets to cover individual parts of the journey.

7. **Return Tickets.** Return tickets, issued at reduced rates shown in this Time-Table are valid for a period of one month on internal lines and six months on international lines beginning from the date of the outward journey. A passenger, who holds a return ticket and who is unable to use the return portion, is entitled to claim from MISR AIRLINES a refund of the difference between the cost of the single and return fare paid, provided that the Company's Regulations regarding cancellation have been properly observed and on condition that claim for refund must be made to the Company within one month from date of expiration of period of validity.

8. **Children.** Children up to three years of age, when accompanied by an adult, and when no separate seat is required for them, are carried at a charge equivalent to 10% of the normal rate for passengers.

Children aged more than three years and less than seven years, and younger children for whom a separate seat is required, are carried at a reduced price, representing one-half of the normal fare.

In both instances, children are weighed individually, but no allowance for luggage is made for them.

9. **Reservations.** Passages should be booked in advance. Any Travel Agent can apply for a reservation on behalf of an intending passenger. If such application be made by telegram or by telephone, the cost of the application and the replies thereto will be born by the passenger.

Seats will only be reserved on payment of a deposit of 25% (Twenty-five per cent) of the published fare, and such reservations will be regarded as provisional until confirmed by the Company, and the balance of the fare paid. These provisional reservations automatically lapse in the case of internal lines twenty-four hours and in the case of international lines forty-eight hours before the service is scheduled to operate. In no instance will provisionally reserved accommodation be held to the exclusion of passengers prepared to take up their tickets.

10. **Cancellations.** In case of cancellations, the following fees are payable:—

Internal Lines

a) Before 3 days	Cancellation fee not chargeable
b) Before 2 days	10% of fare
c) Before 1 day	25% of fare
d) Less than 1 day	Full fare

International Lines

a) Before 5 days	Cancellation fee not chargeable
b) Before 4 days	10% of fare
c) Before 2 days	25% of fare
d) Less than 2 days	Full fare.

Tickets, which for any reason other than the cancellation of a flight by the Company, are not used on the date and at the time for which they are issued, will be treated as having been cancelled by the passenger and the fare paid will be retained by the Company.

BAGGAGE INFORMATION

11. **Baggage.** Except on internal services, passengers baggage must contain personal effects only, because of the Regulations imposed by the Customs Authorities, merchandise can be carried only as freight, and must be declared as such on embarkation.

12. **Excess Baggage.** Excess Baggage is carried at rates shown in this Time-Table. Whenever possible, baggage will be carried in the same aircraft as that in which the passenger is travelling, but MISR AIRLINES is unable to guarantee that this

will always be done. For such off-loaded baggage, MISR AIRLINES will endeavour to arrange that it will be sent forward by the next available Service to the destination shown on the passenger's air ticket, but on international air services only when passengers clear out-going Customs prior to air departure, and are prepared to allow their baggage to travel unlocked, but sealed by the Customs Authorities of the Country of departure.

13. **Advance Baggage.** Heavy luggage, which passengers may not wish to be transported by air, can be forwarded from door to door, or to or from steamer, at very reasonable all-in figures. Applications for rates should be addressed to the Company's General Agents.

14. **Labelling of Baggage.** Passengers' baggage is labelled before departure with MISR AIRLINES Labels which are obtained with the passengers' ticket. Baggage is registered at the Company's station of departure before embarkation and a baggage check is affixed to the passenger's ticket, except on internal services, when only excess baggage will bear a baggage check. Registered baggage will be handed over at The Airport of destination to the bearer of this baggage check, and passengers in their own interests, should take care that the check does not pass into unauthorised hands, or they may have difficulty in obtaining their baggage.

Passengers are reminded that the Company cannot accept responsibility for small articles such as hand bags, rain-coats and so on, which the passengers themselves carry on the Company's aircraft, and passengers are asked to take special care that such articles are not lost or mislaid.

ROAD TRANSPORT

ROAD TRANSPORT BETWEEN THE AIRPORT AND THE TOWN

15. Throughout MISR AIRLINES Regular Routes, transport between towns and airports, and vice versa is provided wherever necessary by the Company without extra charge, and all tickets issued by MISR AIRLINES include the cost of this transport. Passengers are requested to arrive at least five minutes before the departure of the passengers' car from the starting station in town. Passengers using their own transport to aerodrome, must arrange to arrive at least 15 minutes before the departure of the aircraft to allow for the necessary formalities to be completed in order to allow the service to leave on time. Should a passenger arrive too late for such formalities to be completed without delaying the departure of the service the passenger's ticket may be regarded as cancelled and no claim for refund of the fare can be entertained.

Passengers when booking should enquire as to the place and time of departure of the Company's Car, or the exact situation of the aerodrome.

GENERAL INFORMATION

16. **Insurance.** For Passengers requiring Insurance, special policies can be obtained for any journey by MISR AIRLINES at every station served by the Company's Regular Service.

17. **Smoking.** MISR AIRLINES asks its passengers to note that neither the Law nor the Rules of the Company allow smoking in any of the aircraft of its fleet either on the ground or in the air.

18. **Quarantine.** The Company cannot be held responsible for passengers expenses in the event of Quarantine restrictions being imposed by any Government along the routes served by its aircraft.

The Pilot may, at his discretion, omit to call at any station, in the event of existing or anticipated quarantine restrictions or of civil commotion, and in such instances, the Company is unable to accept responsibility for any delay, or inconvenience, or loss of business, which may result. In the event of over-carriage, the passenger may be called upon to pay any additional expenses, which the Company may incur.

19. **Cameras.** Passengers are warned that, owing to Governments' regulations they are not allowed to travel in possession of Cameras. Each camera must be handed over to one of the Company's staff who will place it after sealing in the care of the Pilot. On the conclusion of the journey, the camera will be returned to the passenger by the Traffic Officer at destination. Any infringement of this regulation will subject the passenger to severe penalties.

20. **Tips.** Passengers are requested not to offer any gratuities to any of the Company's personnel at any Station en route.

21. **Meals.** Meals will be served on certain international routes. For details apply to Agents.

FREIGHT.

22. Certain freight in moderate quantities can be carried on the Company's Regular Air Services operating as per current time-table.

Consignments are only carried "CARRIAGE PAID". The freight rates shown in this Time-Table cover the air transport from aerodrome to aerodrome only. Delivery to Consignee can be arranged on demand, against payment of the relative carriage.

Freight must be carefully labelled, showing distinctly the name and address of both the Consignor and the Consignee.

Each consignment of freight should be accompanied by an invoice showing particulars of goods, price, etc. A declaration as to the nature of the freight must be made by the consignor to the carriers.

No guarantee is given by the Company that freight can be carried on any particular Service, but assurance is given that it will be dispatched by the first available aircraft after receipt at the Airport.

23. **Live Stock.** MISR AIRLINES does not usually carry live-stock in their aircraft unless special arrangements have been previously made.
