АН-12

АН-12 — турбовинтовой воздушный корабль. Это один из основных грузовых самолетов АЭРОФЛОТА. Он перевозит тракторы, землеройные машины, железнодорожные контейнеры, легковые, грузовые и специальные автомашины, буровые установки, станки и т.д. со скоростью 640—650 км/час на высоте 8000—10000 метров.

AN-12

AN-12 is a turbo-prop air plane. It is one of the main AEROFLOT cargo planes. It carries tractors, excavating machines, railway containers, cars, lorries and special cars, boring installation, machine tools, etc. at a speed of 640—650 km/h with the height of 8 000—10 000 metres.

Экономьте время, пользуйтесь самолетами Аэрофлота для деловых поездок и путешествий!

Save time! Fly Aeroflot on your business trips and personal excursions!
