GENERAL INFORMATION

Passports, Visas, and Health Certificates International passengers must possess valid documents such as passports, visas, health certificates, etc. required by laws and regulations of the countries of their destination. These papers should be carried by passengers, ready for official inspection, and not packed in the baggage. TAC officers and travel agents will gladly furnish any information concerned.

Schedules Times used in all the time tables are local. Passengers are reminded that schedules are subject to changes without advance notice.

Fares Fares are in local currency of the departing airports. Passengers from Calcutta, Penang, Rangoon, and Singapore may pay for their tickets in pound sterling at the bank rate, and those from Hongkong in US dollars at the free market rate.

Children One accompanied child under 2 years not occupying a seat is carried at 10 percents of the adult fare. Other children under 12 years old pay half the adult fare.

Reservations Heavy air traffic demands that seats should in all cases be booked in advance. Travel agents will arrange for your reserved seats without any extra

charge, except those for cables or long distance calls made at your order.

Cancellations For full refund, cancellations of seats reserved must be made at least 24 hours before the scheduled flying time. We would be gratified, however, if cancellations are made well in advance, so that needed passage may be available to those who might be on the waiting list.

Free Baggage Allowance Allowance of free baggage is 30 kg. on international services and 15 kg. on domestic for passengers paying full fare. Baggage must contain personal effects only.

Excess Baggage Excess baggage charges are generally about 1 percent of the adult fares. These are listed in the Fares and Freight Table.

Meals and Refreshments Breakfast and lunch with/or light refreshments are served free on board the aircrafts in flight.

Airport - and - Town Services TAC Provides free coach services between town offices and airports. Passengers should report at town terminals or airports at the designated time shown on the tickets. Sufficient time is needed to complete formalities.
