SAS City Portrait

Code numbers in this booklet refer to the above map. Thus (I9) is located where lines drawn from "I" and "9" cross each other.

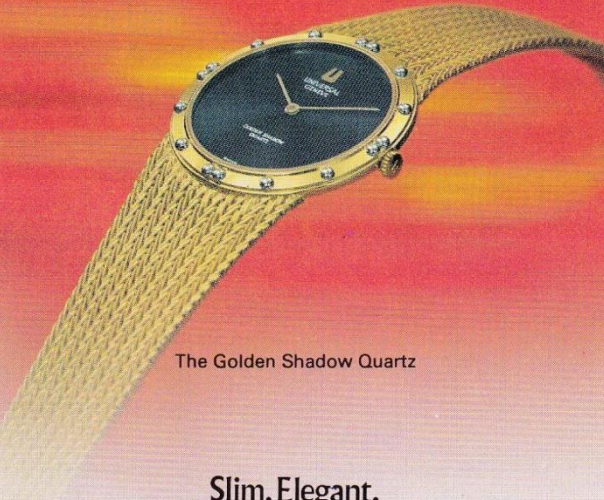

Interesting sights in Hong Kong

- (A4) Victoria Peak, reached by funicular railway.
- (D3) Tiger Balm Garden. It is carved into grottos, and decorated with a fantastic variety of clay statues and strange beasts from Chinese mythology. Dominating the garden is a white pagoda, the finest example of classical Chinese architecture in Hong Kong.
- (B5) Aberdeen, the fishing village with the "Floating Restaurants."
- (L5) Ocean Terminal, built over the water, where you can find hundreds of shops, restaurants, night clubs, car park, etc.
- (A5) Ocean Park.
