RESERVATIONS AND CANCELLATIONS:

Seats should be reserved as far in advance as possible through any Nigeria Airways Booking Office or Agent. Refund of fare for reservations cancelled or transferred at short notice cannot be guaranteed.

On internal service, if a cancellation is made less than twenty-four hours before departure a 50% charge is made. Passengers failing to join a service will forfeit the fare for the journey involved.

Failure to reconfirm reservations at least 72 hours prior to departure may result in cancellation of such reservations.

CHILDREN AND INFANTS

An infant under two years accompanied by an adult, and not occupying a separate seat, is charged 10% of the normal First or Tourist or Economy adult fare. Additional infants under two accompanying the same adult, an infant under two occupying a separate seat, and children of two years of age and over, who have not yet reached their twelfth birthday, are charged 50% of the normal First or Tourist or Economy adult fare. Age is taken as that at the beginning of the outward journey Unaccompanied children under the age of seven are not normally accepted for travel.

RETURN TICKETS:

Unless otherwise stated return tickets are issued at double the single fare. A passenger holding a return ticket is not entitled to any priority and must make a return reservation in the normal manner. To secure a reduction on return tickets, where such a reduction is permitted, the return fare must be paid when the outward ticket is purchased.

If a passenger is unable to use the return half of the ticket, the difference between the single and return fare will be refunded provided the regulations governing cancellations have been observed.

Passengers travelling part-way First Class and part-way Tourist or Economy Class, are given the free baggage allowance applicable to the class of travel used. However, when a First Class fare has been paid and a Tourist or Economy Class service is used as part of the through journey, the First Class free baggage allowance may be carried over that sector without additional charge.
