SCHEDULES shown herein are correct at date of issue, but are subject to change without notice and are not guaranteed.

BOOKING PROCEDURE—Request for reservations should be made well in advance, and tickets taken out immediately reservations are confirmed. Reservations for unticketed passengers will be held only for a reasonable time; if a passenger fails to purchase ticket by the "time limit" agreed upon, the reservation may be cancelled and resold.

BAGGAGE—35 lb. carried free for each passenger. Overseas passengers by air are allowed additional free baggage. Excess baggage may be carried on payment of a small charge per lb.

CANCELLATIONS—Passengers who have reserved seats sometimes change their plans and omit to cancel their reservation, thus depriving other passengers of air travel. Reservations not needed should be cancelled promptly.

GROUND TRANSPORT—Free transport is provided between airports and city terminals (except Coen). It would be appreciated if passengers would present themselves at the city terminal 15 minutes before advertised time of departure of the passenger coach and if proceeding direct to the airport, 15 minutes before the advertised time of the Skyliner's departure, thus giving the Despatch staff sufficient time to check and weigh passengers' baggage.

CHILDREN—One child under three (3) years of age accompanied by an adult (No seat provided) Free—Each additional child under 3 years (Seat provided) **Half Published Fares**—Children 3 years of age and under 15 years or children under 3 years of age occupying seats—**Half Published Fares**.

FARES—School Children 15 years and upwards travelling during school vacation periods, on production of school certificate—**Half Published Fares**.

Passengers' Baggage Insurance—Special baggage insurance is available to passengers by A.N.A. Skyliners and Skymasters against loss or damage in transit while being carried by the Company. Certain fragile articles are not included in the cover. The insurance rate is 1/6 for each £100 value or part thereof. Passengers desiring to insure will receive a certificate on application to the despatch or booking clerk when making their reservation.

Free Personal Accident Insurance—Every passenger travelling by A.N.A. is automatically insured free of charge. No formalities of signing documents, etc., are required for A.N.A.'s Personal Accident Insurance cover. £2,000 is payable in the event of death caused by an accident and ancillary benefits are payable on a sliding scale.
