RETURN BOOKINGS

It is an advantage to make return bookings in advance. After completing your forward flight, please contact the local ANA office or agent to ensure that your temporary address or telephone number is correctly recorded. In the event of an unforeseen change of schedule, you will be advised of the amended departure time.

HELPFUL INFORMATION

IT'S MUCH EASIER TO BOOK WITH ANA!

ANA's up to the minute reservation system is streamlined to save you time. Whether your need is a single or return booking, or an extensive tour, ANA can produce the answer "on the spot". Ring, write, telegraph or call personally at any ANA Booking Office, recognised Travel Agent or Bureau.

If more convenient, and your reservation is for some days ahead, just post a cheque or money order and your ticket will reach you by return mail.

YOUR TICKET

It will assist greatly if you pick up your ticket as soon as possible after the booking has been made. Naturally, in the interests of other intending passengers, we cannot hold unclaimed seats indefinitely.

CHANGE OF PLANS!

If circumstances make it necessary to cancel or postpone your flight, please let us know as soon as you can so that your seat may be made available for another traveller.

THE LUGGAGE PROBLEM!

Take as much as you wish. Up to 35 lb. of checked luggage is carried free, whilst any extra is charged on ANA's low excess luggage rates. Special allowances are available for overseas travellers on application. Full-cover luggage insurance is available too, at a small charge — your ANA Traffic Officer will be happy to give details.

FREE PERSONAL INSURANCE!

Every ANA passenger is automatically covered by free Personal Accident Insurance whilst in ANA's care.

FREE TRANSPORT!

First-class coach services are provided free by ANA for your use between City Terminals and Airports. So that we may finalise details and be away on time, may we request you check in fifteen minutes before coach departure — as noted on your ticket cover.

On the other hand, if you prefer to go direct to the Airport, the same fifteen minutes interval applies there too — in this case to enable us to maintain on time flight schedules.

A HIRE CAR AT DESTINATION!

A hire car can be arranged for your personal use on arrival at destination. Your hostess will ascertain your requirement and make the necessary arrangements.

ONWARD TRAVEL!

If your final destination is beyond the ANA Commonwealth-wide Network, we will be glad to help with your further reservations whether by air, sea, rail or road — just tell the Traffic Officer your needs.

PRIVILEGES FOR CHILDREN AND STUDENTS

★ One infant under three years nursed by an adult — free. Additional infants under three years — half fare. Bassinets are provided free of charge and should be requested when seat bookings are being made.

★ Children aged three years but under fifteen years — half fare only for each child (seat is provided).

★ Children under five years must be accompanied by an adult — ANA will be pleased to provide an air hostess to act as companion if desired. A single fare only is charged for the companion.

★ Students, fifteen years but under nineteen years attending any recognised State school, high school, secondary private or public school, travelling during vacation — half fare only. A Student's Vacation Certificate signed by Head Teacher or Principal is necessary for this concession to be availed.
