AIR MAIL

All flights carry Air Mail.

CANCELLATION BY COMPANY

At times, due to circumstances beyond our control, it may be necessary for the Captain to request the removal of passengers. In this event the passenger may continue on a subsequent flight or request a refund for that portion of the trip which remains uncompleted.

CANCELLATION BY PASSENGER

If any passenger fails to occupy space which has been reserved for him on a flight and notice of the cancellation of such reservation is not received prior to departure of such flight, a service charge will be collected from such passenger upon presentation of his ticket or exchange order for refund or otherwise.

CHECK-IN AT PORT OF EMBARKATION

Passengers are requested to arrive sufficiently in advance of the scheduled departure of aircraft to permit checking of their baggage and the completion of governmental and other formalities. Flights cannot be delayed for passengers who arrive too late. American Overseas Airlines shall not be liable to any such passenger except to refund a portion of the fare in accordance with tariff provisions. It is requested that passengers holding return space confirm this space and present their international documents to the American Overseas Airlines office 72 hours before their scheduled departure.

One child, under two years of age, may be carried at a charge of approximately 10 per cent. of the adult fare if accompanied by an authorized adult passenger; but no seat will be assigned. Children between the ages of 2 and 12 years will be charged 50 per cent. of the adult fare. Please consult authorized ticket agents for exact fares.

Stewardess service is provided on all American Overseas Airlines flights. On Overseas services there are both pursers and stewardesses to assist you. Every flight carries a stewardess who is a registered nurse.
