

General Information

CANCELLATION BY COMPANY
At times, due to circumstances beyond our control, it may be necessary for the captain to request the removal of passengers. In this event the passenger may continue on a subsequent flight or request a refund for that portion of the trip which remains uncompleted.

CANCELLATION BY PASSENGER
If any passenger fails to occupy space which has been reserved for him on a flight and notice of the cancellation of such reservation is not received prior to departure of such flight, a service charge will be collected from such passenger upon presentation of his ticket or exchange order for refund or otherwise.

CHILDREN'S FARES
One child, under two years of age, may be carried at a charge of approximately 10 per cent. of the adult fare if accompanied by an authorized adult passenger, but no seat will be assigned. Children between the ages of 2 and 12 years will be charged 50 per cent. of the adult fare. Please consult authorized ticket agents for exact fares.

CHECK-IN AT PORT OF EMBARKATION
Passengers are requested to arrive sufficiently in advance of the scheduled departure of aircraft to permit checking of their baggage and the completion of governmental and other formalities. Flights cannot be delayed by passengers who arrive too late. American Overseas Airlines shall not be liable to any such passenger except to refund a portion of the fare in accordance with tariff provisions. It is requested that passengers holding return space confirm this space and present their international documents to the American Overseas Airlines office 72 hours before their scheduled departure.

PASSENGERS' PASSPORTS, VISAS & OTHER TRAVEL DOCUMENTS
All passengers must have valid passports correctly endorsed and visaed. For complete information, consult your local American Overseas Airlines office, or your travel agents, or consult of the countries concerned.

RESERVATIONS
American Overseas Airlines welcomes advance reservations. Reservations for unticketed passengers may be held only for a reasonable time. Should the passenger fail to purchase his ticket, or have it validated before the "time limit" expires, it will be necessary to cancel and re-sell.

TAXES
Any ticket taxes imposed by Governmental authority are in addition to transportation fares, and will be collected wherever effective.

TIME-TABLES
These time-tables show the time at which planes may be expected to depart from and arrive at the several stations shown, and to connect with trains or other planes, but their departure, arrival or connection at the time stated is not guaranteed. American Overseas Airlines reserves the right to vary from the time shown in this publication without notice to the public.

Any ticket taxes imposed by Governmental authority are in addition to transportation fares, and will be collected wherever effective.

TIME-TABLES
These time-tables show the time at which planes may be expected to depart from and arrive at the several stations shown, and to connect with trains or other planes, but their departure, arrival or connection at the time stated is not guaranteed. American Overseas Airlines reserves the right to vary from the time shown in this publication without notice to the public.

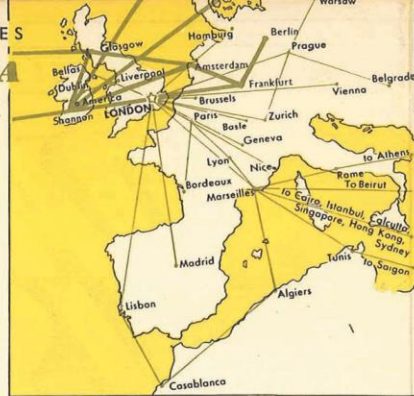

The information contained within this time-table may be changed without notice to the public.
