FARES AND RATES B.E.A. INTERNATIONAL SERVICES

NOTES

U.K. Airport Service Charge :—The British Ministry of Civil Aviation or local authorities make a charge of five shillings per head on passengers embarking on international flights at the following airports :—London (London Airport and Northolt), Birmingham, Glasgow and Manchester. The only exceptions are children under two years of age and passengers in transit. The charge will be collected in cash on departure and passengers should have this sum available.

X The sale of tickets at the excursion rates shown is restricted, in most cases, to the United Kingdom and the Republic of Ireland. Through return fares from places within the United Kingdom to most destinations on the Continent may be constructed by adding the monthly return fare for the domestic flight to the appropriate international return fare (ordinary or excursion), from London, Manchester, etc., to the Continent.

F First class fare for travel on flights indicated by this symbol. The free baggage allowance on these flights is 20 kg. (44 lb.)

❷ For travel between London and the Continent only on flights marked ❷ in the relevant timetable columns.

a Fare applicable only when the journey from London to Zürich is made on Flight BE.230 (11·10 from London Airport).

b Available only on Flights started between 21·00 and 09·00.

M This fare is available via Manchester and direct flight Manchester / Amsterdam.

† Not available for stopover in Italy or Sicily.

* Through fares to places on the French Riviera will be quoted on request.

¶ The free baggage allowance for journeys marked ¶ is 20 kg. (44 lb.) and excess baggage over 10 kg. is charged at half the published rates.

§ The minimum charges for cargo consignments are :—For cargo rates up to 7/- per kg.—as for 5 kg. (minimum charge 7/-). For cargo rates over 7/- per kg.—normal rates (minimum charge 35/9). Particulars of rebates for quantity consignments and special commodities on application.

‡ **Taxes:**—Certain local taxes levied at Barcelona, Madrid, Nice and Tangier, which are payable at the time of purchase of the ticket, are not included in the fares shown. For journeys from the United Kingdom the amounts are as follows:—Barcelona or Madrid ..Single ticket 2s. 10d. Return ticket 5s. 8d. Nice (for French Riviera) Single ticket 4s. 11d. Return ticket 9s. 10d. Tangier (via Gibraltar) Single ticket 2s. 1d. Return ticket 4s. 1d. Fares paid for in Turkey are subject to a special conversion surcharge of 25 per cent. A stamp tax of 8s. 3d. is payable on all tickets issued in Egypt.

CIRCLE TRIP FARES

A reduction in fare is granted in respect of tickets purchased for a complete circle trip commencing and terminating at the same town, using the scheduled services of one or more member companies of the International Air Transport Association.

OPEN-JAW FARES

On certain routes are fares known as "open-jaw" fares, which enable passengers to make the return flight over a sector other than that used for the outward flight and still effect a saving similar to that allowed for a normal return ticket.

PARTY TRAVEL

When a party of 15 or more adult members (two children count as one adult) of a sports club, society, or other similar group travel together to the same destination, a rebate of 10 per cent. on each ticket will be granted on receipt of written application well before the date of travel. This rebate, which is available for travel between most European countries and within the British Isles, can be applied to normal single, return, circle trip or open-jaw tickets and to certain excursion fares.

Full details of the above facilities may be obtained from B.E.A. Offices and Travel Agencies.

FARES AND RATES FROM CONTINENTAL STATIONS

(See U.K. Airport Service Charge Note)

Through return fares from places on the Continent to points within the United Kingdom may be constructed by adding the return fare for the international flight to the appropriate domestic monthly return fare, from London, Manchester, etc., to the destination in the United Kingdom. For details of excursion fares from Continental stations apply to B.E.A. offices or travel agents in the country concerned.

Through fares can be quoted to all parts of the world from most Continental stations via B.E.A./B.O.A.C., etc.

RESERVATIONS AND CANCELLATIONS Seats should be reserved as far in advance as possible through any B.E.A. Booking Office or Agent. As there is a great demand for seats, please let us know as early as possible if you cannot take up your reservation

UNIVERSAL AIR TRAVEL PLAN Any B.E.A. Office or Agent will be pleased to honour Air Travel Cards issued under this Plan

CHILDREN One child under two years of age accompanied by an adult and not occupying a separate seat is carried at 10 per cent. of the adult fare. Additional children under two years and children of two years and under twelve years of age are carried at half the adult fare

TICKETS Your ticket contains important information concerning your journey ; please examine it carefully

AIR/RAIL/SEA TICKET INTERCHANGE Single and outward or return halves of air and rail or sea tickets (except excursion and children's tickets) issued for travel wholly within the British Isles, also between London or Jersey and Dinard/St. Malo can, in most cases, be changed for travel by the alternative mode of transport. PASSPORTS AND VISAS B.E.A. or its Agents will gladly provide on request information regarding Passports or any visa required for your journey, but you must ensure personally that these documents are in order, because the carrier cannot accept responsibility for the consequences of any irregularity. You will have to show your passport during your journey, so please carry it with you ; do not pack it !

HEALTH CERTIFICATES Certain countries require valid certificates of inoculation and/or vaccination. Please enquire well in advance whether any such certificates are needed for your journey

CURRENCY CONTROL The movement of money into and out of many countries is subject to Government control and you should consult your Travel Agent or Bank about regulations applicable to your journey well before the date of travel

BAGGAGE The free allowance which applies to each adult or child paying half the adult fare, varies from 33lb. (15 kg.) upwards, according to service and journey. The free allowance applicable to a journey for which a fare is quoted in this timetable is shown on the " Fares " pages. There is no free allowance for an infant carried at 10 per cent. of the adult fare, but infants' food for consumption *en route* and an infant's carrying basket is carried free of charge

Personal Items : In addition to the free allowance, the following may be carried free of charge :—

a lady's handbag, an overcoat or wrap, a foot rug, an umbrella or walking stick, a small camera, a pair of binoculars and a reasonable amount of reading matter for the flight

Brief cases, typewriters and large cameras have to be included in the baggage weights under the regulations of the International Air Transport Association

Excess Weight : Baggage in excess of the free allowance may be carried subject to space being available, at the rates shown in this timetable

Unaccompanied Baggage : Unaccompanied baggage may be sent at normal cargo rates

Prohibited Articles : Government regulations do not permit the carriage of inflammable or explosive material on aircraft and you are asked not to carry in your baggage articles which are easily ignited, such as cigarette lighter fluid, matches, etc. On most B.E.A. aircraft smoking is permitted and you may carry a box of *safety* matches or a lighter with you for use on the journey

N.B. : Baggage should contain personal effects only, but you may carry commercial samples, provided you arrange to be at the airport for international flights not later than the time specified by the local Customs ; in the United Kingdom this is 40 minutes before aircraft departure time

CAMERAS On international journeys cameras must be packed in your checked baggage, which is not taken into the cabin with you

INSURANCE You can purchase Personal and Baggage Insurance at B.E.A. offices in the United Kingdom and in most countries abroad. Please ask for details

On your ticket you will find the coach and aircraft departure times and an indication as to how long before these you should be at the town terminal or airport. Departure cannot be delayed for passengers who arrive late and B.E.A. cannot accept responsibility in such cases

STOPOVERS You may break your journey at most places *en route* without losing the benefit of the through fare, provided you give notice when you make the reservation. Hotel expenses at each stopover are your responsibility

ROAD TRANSPORT Road transport between town terminals and airports is normally available and in most countries is charged for separately. Details of the fares, which are payable locally, are given elsewhere in this timetable

PUNCTUALITY Every effort is made to ensure punctuality of our services but B.E.A. cannot accept responsibility for the consequences of a delay to, or a cancellation of, any flight and cannot guarantee making connexions
