The Company reserves the right to cancel its services without accepting liability. Times shown in this timetable are local times.

3. **CHILDREN.**—Infants under two years of age, not occupying separate seats, will pay 10 per cent. of the adult fare. Each infant must be accompanied by an adult. If a passenger accompanies more than one infant, additional infants will pay 50 per cent. of the adult fare.

Infants under two years of age occupying individual seats and children between two and twelve years of age will pay 50 per cent. of the adult fare. Age limits will be taken as of the date of commencement of the outward journey.

Subject to application of particular fares and regulations U.A.A. will carry unaccompanied children.

4. **STUDENTS' FARES.**—Special reduced fares are available on certain journeys for students between the ages of 12 and 26 years of age attending full time school, college, university or other recognised educational institutes. For full details please contact U.A.A. Agencies.

5. **SPECIAL FARES.**—Special excursion Round Trip fares are available on some U.A.A. routes. For further information please contact U.A.A. Agencies.
