PASSENGER INFORMATION

Reservations and Cancellations

Seats may be reserved through any TEAL travel agent or booking office where details of passport, visa, health and customs requirements are available. Refund of full fare, for reservations cancelled or transferred at short notice, cannot be guaranteed.

Your Ticket

Your ticket is issued subject to our General Conditions of Carriage of Passengers and Baggage, a copy of which is available at TEAL travel agents and booking offices. Extracts from these conditions are printed on the inside cover of your ticket.

Your fare includes ground transport between town terminal and airport at most points served by TEAL airliner, and full meals and light refreshments served in flight.

You may break your journey at one or more places en route and still enjoy the benefit of through fares, provided you notify us of intended stopovers when you make your reservations.

Fare Concessions

Return tickets, first or tourist class, cost 10% less than two single fares and are valid for one year. A similar reduction is available on Round-the-World Tours.

A special discount of 10% may be applied for on TEAL services by parties of 10 or more if their reason for travel is common to all members.

Children aged two years and under twelve years may travel for half the adult fare. One infant under two years of age accompanied by an adult passenger, but not occupying a

separate seat, may travel for 10% of the adult fare. (Each additional child under two years of age will be charged half the adult fare.)

Baggage

Free Allowance on International Services: On First Class services the free baggage allowance is 66 lbs. (30 kilogrammes) and on Tourist Class is 44 lbs. (20 kilogrammes) for adults and children paying half fare. If you are travelling in a party you may bulk your baggage with that of friends and take advantage of the collective free allowance.

Personal Items: In addition to the free allowance, the following items may be carried free of charge:—
A lady's handbag or pocketbook, an overcoat or wrap, a foot rug, an umbrella or walking stick, a small camera, a pair of binoculars, reading material for the flight, an infant's carrying basket and food for the flight, and an invalid's fully collapsible wheelchair.

To comply with the regulations of the International Air Transport Association, brief cases, typewriters, large cameras, cabin bags, and all other articles must be included in the baggage weight and are therefore subject to excess baggage charges.

Excess Baggage: A charge will be made for baggage carried in excess of the free baggage allowance at the rate of 1% of the adult first class one-way fare per kilogramme (2.25 lbs.).

Unaccompanied Baggage

Certain personal effects may be forwarded in advance, or after, the passenger's travel,
