REGULATIONS TO HELP US SERVE YOU BETTER

For many years, you and the Scheduled Airlines have suffered from the problem of "No Shows" and individuals who cancel their reservations too late to free their seats for others. To serve you better, we, as well as the majority of other airlines, have adopted the RECONFIRMATION regulation.

RECONFIRMATION. Your reservation may be subject to cancellation unless you RE-CONFIRM your definite intention of using it. Reconfirmation simply means advising the airline of your definite intention to use the space you hold—whether you have a return reservation to the city of origin, or a continuing reservation to some other city, after stopover. This must be done at least six hours before scheduled departure time of your flight, AT any city during your trip where you remain 12 hours or longer. Simply get in touch with the airline on which you are departing.

THESE EASY STEPS WILL MAKE YOUR TRIP ON PIEDMONT AIRLINES MORE PLEASANT

1. Make your reservations well in advance to secure the space you want.
2. Purchase your tickets early—at city ticket offices when possible—this saves you time at the airport.
3. Please call us if you have a planned stop-over in your itinerary—to enable us to call you if necessary.
4. Cancel your reservations early if your plans change—so as to make your reservations available for someone else.

PIEDMONT AIRLINES requests that passengers check in AT THE AIRPORT TICKET OFFICE at least 20 MINUTES before scheduled departure time. Tariff regulations require cancellation of the reservation of any passenger who fails to present himself for check-in AT THE AIRPORT TICKET OFFICE at least 10 MINUTES before the scheduled departure time of the flight on which reservation was made.

THANK YOU FOR YOUR COOPERATION
