Sierra Expressway  
Flight Schedule

## Why Not Fly

- No restrictions! This means no advance purchase requirements and none of those goofy "Saturday night stay overs". You can travel when it's convenient for you.
- No tickets, so there's nothing to lose. You get the best price right over the phone or directly at the gate.
- Oakland International Airport provides Sierra Expressway passengers with clear advantages, such as simple connections to other low fare carriers, and quick access to San Francisco.
- NO Hassles! We've eliminated the aspects of air travel that make it a chore.
