Why Not Fly

We've eliminated high prices. Insane prices. Somebody's-getting-rich-and-it's-not-you prices.

And restrictions. Because you should always know what you're going to get.

We've also gotten rid of hassles. At least ones we can control. Like complicated price structures. And tickets.

Because the way we see it, once all these barriers are out of your way, flying can be a simple option when you need to get where you're going.

Whether it's getting to and from the Bay Area for a visit, or to connect to other affordable airlines flying all over.

Hey, why not fly.

1-800-96-FLY-US

How Much Will It Cost?

That depends on what time you fly. If it's from 11am to before 3pm, it's our Off-Peak fare. Any other time is our Peak fare.

How Easy Is It?

Just call 1-800-96-FLY-US for a reservation. Then bring some I.D. to the gate and get a boarding pass. No tickets to worry about.

What About Luggage?

Bring it to the gate. It'll get on the plane when you do.
