SUMMER
1976

Aeroflot and Intourist invite you to visit Moscow the capital of the Soviet Union, with its numerous historic monuments and outstanding examples of modern architecture. After your stay in Moscow, continue your journey by Aeroflot and visit some of the Soviet cities of special tourist interest.

Information about flights to Moscow can be obtained at Aeroflot and Intourist agencies.

MOSCOW AWAITS YOU!

MOSCOW INTERNATIONAL AIRPORT SHEREMETYEVO

Sheremetyevo is one of the biggest airports of the world. Dozens of air routes radiate from here to different continents and countries of the world.

Remember: the shortest way from Europe to Japan and other countries of East and South East Asia, to the Near and Middle East is via Moscow!

SOJUZPUSHNINA

V/O SOJUZPUSHNINA

All of the pelts of the international fur trade, the sable occupies a unique place. The Soviet Union is its monopoly exporter. Since 1958 the Russian sable has invariably won the highest prizes at international exhibitions. "This is the most valuable, the most beautiful and the most elegant fur on earth", says the diploma of the Brussels World Exhibition. Aeroflot will deliver your pelts to any country of the world.
