Telegraphic Address of Corporation Offices: "WESTAFAIR" followed by place name
GENERAL AGENT IN THE UNITED KINGDOM:— B.O.A.C.

MEMBER OF THE INTERNATIONAL AIR TRANSPORT ASSOCIATION.

GENERAL INFORMATION

AIR CARGO AND PARCELS. West African Airways Corporation accepts air cargo and parcels for carriage, provided they do not fall within the list of articles which are prohibited for carriage by air; details of these may be obtained upon request. They are also subject to size and weight limitations. Special rebates are allowed on bulk consignments.

BAGGAGE. The free allowance of baggage for adults and children paying 50% of the adult fare is 20 kgs (44 lbs) on domestic services. Passengers on the Accra-Freetown-Bathurst-Dakar service or who travel on through First Class international journeys from any point in West Africa are entitled to 30 kgs (66 lbs) free baggage allowance. In addition to this one overcoat or wrap, an umbrella or walking stick, a small pocket camera, binoculars and a lady's handbag may be carried free of charge. Overnight bags, briefcases, typewriters, etc., are weighed with the baggage and are subject to excess if over the free allowance.

BREAK OF JOURNEY. A break of journey is permitted on certain services provided the ticket is endorsed at the time of booking. The validity of the ticket remains unchanged.

CANCELLATIONS : Passengers who do not travel on the service for which they hold a reservation, and who have not cancelled in advance, are liable to payment of a "no-show" charge. This charge will normally be 25% of the one way fare. On W.A.A.C. domestic services the maximum penalty will not exceed £2. 10s. 0d. On W.A.A.C. International Services the charge will not be more than £25 or less than £2.

CHARTER AIRCRAFT. De Havilland Dove aircraft having seating accommodation for eight passengers over short distances may be chartered at reasonable rates. Bristol 170 aircraft with up to 44 seats or payload of up to 5 tons are also available. Aircraft can be provided at short notice for ambulance duties. Stretcher cases may also be accommodated on scheduled services subject to the condition of the patient.

CHILDREN under two years of age, when accompanied by an adult, are charged 10% of the adult fare. Only one infant may accompany each adult at this rate. Children between 2 and 12 years of age (or infant in excess of one per adult) are carried at half the adult fare. The age limits referred to are taken as at the date of commencement of the outward journey. A full free baggage allowance is available for children over two years of age but there is no free allowance for infants unless they pay half the adult fare. A portable cradle may be included in the personal weight of the infant.

CONDITIONS OF CARRIAGE. An extract from the General Conditions of Carriage may be found on every air ticket. A complete copy of the General Conditions of Carriage may be inspected at any Airport of call.

CONNECTIONS. Although every endeavour is made to ensure the punctuality of services, West African Airways Corporation cannot accept responsibility for any delay to or suspension of its services, and does not guarantee connections with its own or other Companies' services

DEPARTURES. Passengers must attend at the Airport at the time shown in their air ticket in order to complete weighing and other formalities. No service can be delayed for a passenger whose arrival leaves insufficient time for these formalities to be completed and a forfeiture of the fare will be made.

FARES. All fares are subject to alteration without notice and are quoted from Airport to Airport. Surface transport is not normally provided nor included in the fare.

INSURANCE. West African Airways Corporation enjoys the privilege of being able to offer insurance at the favourable rates allowed to the large international airlines. For full details apply at any Booking office or Airport.

RESERVATIONS. There is a heavy demand for accommodation on all services and intending passengers are recommended to reserve seats well in advance. Firm bookings can only be accepted upon payment of the full fare. *The cost of any telegrams or trunk telephone calls in connection with the bookings are charged to the passenger.* West African Airways Corporation in its capacity as an agent for the principal airlines will be pleased to assist in effecting air reservations to any part of the world.

RETURN TICKETS. Unless otherwise stated return tickets are issued at double the single fare. A passenger holding **a return ticket is not entitled to any priority and must make a return reservation in the normal manner.** To secure a reduction on return tickets where such a reduction is permitted, the return fare must be paid when the outward ticket is purchased. If a passenger is unable to use the return half of the ticket, the difference between the single and return fare will be refunded provided the regulations governing cancellation have been observed.

UNACCOMPANIED BAGGAGE. Passengers travelling by B.O.A.C./K.L.M. services may now despatch their unaccompanied baggage at half the normal cargo rates subject to a minimum baggage weight of 10 kilogrammes, only personal effects (not jewellery or cameras) may be sent in this way. Consignments can be accepted for all B.O.A.C./K.L.M. destinations other than those within the Americas or Pacific Islands.

BOOKING FEE. Passengers are asked to note that in no circumstances is a Booking Fee chargeable in addition to the published fare. Should such a fee be requested by any of the Corporation's staff, passengers are asked to report the circumstances as quickly as possible to the General Manager at the Corporation's Head Office, Airways House, Lagos Airport. The Corporation requests passengers not to offer any form of gratuity to the staff.
